62nd Meeting of the Implementation Group

The 62nd meeting of the Military Erasmus (EMILYO) Implementation Group (IG) and the international Military Academic Forum 2024 took place with 100 participants in Brasov - outstandingly hosted by the Henri Coandă Air Force Academy - from 20-23 May 2024. The group voted on the new LoD-4 chair, Lieutenant Colonel Eng. HRISTOV from NMU/Bulgaria and launched a new LoD-21 "Hybrid Threats" with the chair Colonel Prof. LESENCIUC, PhD from HCAFA/Romania. Among a lot of elaborations, Cadets presented their international experience with positive feed-backs exclusively.

Welcome!

This platform was created in support of the European initiative for the exchange of young officers inspired by Erasmus (or in other words: "Military Erasmus" or EMILYO" or the "Initiative"). It aims to enable European Union initial military education and training institutions (Basic Officer Education Institutions - BOEI), to explore possibilities for quantitative and qualitative exchanges of knowledge and know-how through mobility of their students and personnel.
