KEY COMPETENCES
for Lifelong Learning

Military Education System
Transformation Concept
2022-2032
December 30, 2022

wide SET of COMPETENCIES for all SPECIALTIES

WHAT PROBLEM WE FACED IN EDUCATION?

FULL-SCALE INVASION –
complex TREATS, high INTENSITY etc.

LARGE & WIDE BATTLEFIELD –
dynamic ACTIONS, high INTEGRITY etc.

TRAINING ABROAD –
new Tactics, Techniques and Procedures

NEW VEHICLES, ARMAMENTS, EQUIPMENT –
new Tactics, Techniques and Procedures

NEW CHALLENGES –
CYBER & SPACE domains, UAVs, Electronic Warfare etc.

**wide SET of
COMPETENCIES
for all
SPECIALTIES
DOES NOT WORK
well**

**some
COMPETENCIES:
• not applicable
• not required
• missing**

HOW TO FIX IT?

*wide existing
SET of
COMPETENCIES
for all SPECIALTIES*

*Consult
Advise
Direct*

*Adjust
Improve
Enhance*

*adapted & aligned
COMPETENCIES*

and

*CONTENT
of military higher
education*

HOW WE SEE IT?

Initial stage	Study of experience and consultations. Thematic meetings/ conferences/ seminars on the organization and content of the educational process
Development stage	Consultations, thematic meetings/ conferences/ seminars on the organization and content of the educational process, activities to develop joint modules of educational programs
Main stage	Introduction of experience, implementation of joint modules of educational programs, testing exchange KNAFU cadets
Final stage	Full adaptation of educational programs, exchange KNAFU cadets on a regular basis
